Master Plan Definitions

Federal Planning Document No. 1
Master Plan Procedures and Criteria
National Capital Planning Commission - October 1965

"The master plan is intended to be an integrated series of documents which present in graphic, narrative, and tabular form the present composition of the installation and the plan for its orderly and comprehensive development over a period of 20 years."

Army Regulation AR 210-20
Master Planning for Permanent Army Installations - 1 August 1969

"A master plan is an integrated series of documents which presents in graphic, narrative, and tabular form the present composition of the installation and the plan for its orderly and comprehensive development to perform its various missions in the most efficient and economical manner over a 20-year period."
